Family message May 30<sup>th</sup> –  
June 3<sup>rd</sup>,

We are halfway through our class and family shared camping and end of year events. Linda and Sherry to Pine's, Emily's class to Kokanee, Heather has gone to Syringa, and Chelsea's class has ventured further up the lake.

In the upcoming week, Kirsten to Syringa, Anna's class to have a learning fair on the 14<sup>th</sup>, and a potluck and laser tag on the 17<sup>th</sup>. Barb's class is off to Ymir for a campout then back in action to assist with the Seedlings play.

A win for Wildflower!

This week we saw the fence move to our favor. After much deliberation, the fence has been set which allows our Green Expansion committee to move to finalize the plans. Thank you to Daryl, Pat, and Chris for our morning meet up to celebrate this move. Getting back to what we are all here for – our kids.

Welcome to Kindergarten events:

Both sites hosted a welcome to kindergarten event this past Friday. Both were warm and inviting being hosted by Emma and Sherry. I got the pleasure to take part in each's story time and family welcome, as well as took time to meet with parents and take part in some playground play.

Fairy Garden fun:

While in Creston this week, there was much fun to be had. Music and visits while on outside supervision. Then opportunity to join in the learning with the Sapling class on their weekly park visit. This week was fairy garden creations. Thank you to Alyssa and Mathew who invited me to assist with theirs – we nailed it!

School garden prep and care is well underway:

Nelson parents, please see upcoming Teacher's email about signup for summer garden care. It is a busy but exciting time.

With care,

Misty Terpstra
